PETflix and Chill

If you didn't fall in love this past holiday season, it's not too late! With winter weather flurrying all around, colder than anticipated temperatures and the irresistible desire to cuddle up next to someone warm... PETflix and Chill is for you! Movie watching isn't just for humans when you've got fun animations like *The Secret Life of Pets*, *Finding Dory* and *Sing*, so come on down to Nevada Humane Society to find your new PETflix and Chill BFF!

Let's be real. We've all heard about Netflix and Chill, but this is even better. When you adopt a pet from Nevada Humane Society, not only are you gaining the best couch partner but you're saving a life as well—and this partner won't steal the blankets, talk through the movie or eat all the popcorn.

All dogs and cats are spayed or neutered, vaccinated and microchipped before adoption, services normally around \$250. Adoption fees vary but the value of adoption is priceless.

- Adult Dogs: \$50
- Adult Cats Over Five: Free
- Adult Cats Under Five: \$25
- Kittens: \$60
