Veterinary Clinic Opening at Nevada Humane Society Carson City

Nevada Humane Society is proud to announce their veterinary clinic at their new Carson City location is opening this week for high-quality, low-cost spay and neuter surgeries. The clinic is part of the new Carson City Animal Shelter which is run by Nevada Humane Society and opened last October.

The low-cost spay and neuter resources are available for those who cannot otherwise afford it. People must qualify by showing proof of social security or public assistance. Low-cost vaccines and microchips are also available.

The Carson City clinic hours will be as follows and by appointment only for those that qualify:

- Monday and Thursday, by appointment only, spay and neuter services for dogs
- Friday, by appointment only, spay and neuter services for cats
- Free Trap-Neuter-Return (TNR) for feral (wild) cats is available every Tuesday and walk-ins are welcome (no appointment needed). Other details include:
 - Cats must arrive in humane traps (no boxes, crates or pet carriers)
 - Loaner traps available with refundable deposit
 - Kittens must be a minimum of 3lbs or 3 months old
 - All cats and kittens will be spayed or neutered, vaccinated and eartipped

In addition to the above services, a **low-cost, walk-in based vaccine clinic** will be held every Friday, beginning August 18, from 3pm to 5pm for dogs and cats.

For more information about how to qualify, appointment times, or services offered, please contact Nevada Humane Society Carson City at 775-887-2171. The Carson City shelter is located at 549 Airport Road.

###

About Nevada Humane Society: Nevada Humane Society is a non-profit, charitable, animal shelter whose work is made possible by donations. The mission is to care for pets, find them homes and save lives. The vision is that all pets should have a healthy, happy life. The guiding principles are to promote humane treatment, relieve suffering, operate no-kill shelters and educate and engage the community.
