### **Will You Give the Cats and Kittens a Thanksgiving Wish?**

We'll be honest. Our need for cat and kitten food grows each year, and we've definitely asked for help more than once lately due to the volume of felines coming through Nevada Humane Society. We know with the holiday, it's a busy week and we may be taking a risk, but here's what we're asking. **As you all go out and shop for your families (two and four-legged alike) we're also asking that you step it up for our cats and kittens, because once again, we're in desperate need of dry and canned food.**

You see, we partner with various businesses and distribution centers around town, but for some reason, they always have an abundance of dog food, which means we are always asking you for cat food. We don't want to be choosy, but doggie gifts arrive regularly, and cats, well, not so much. **So this Thanksgiving, we're asking you to give back to the cats and kittens at Nevada Humane Society—even if you're not a cat person.**

“We provide food for cats in our care at two shelters, plus those in foster care—and our numbers of cats are always two to three times higher than the dogs. We know that you're willing to give up that extra latte this week while you're running around and instead, grab a bag of food or a case of canned food for the cats.... right?” said Kimberly Wade, Communications Director for Nevada Humane Society.

#### **Specific cat food needs include:**

- Canned cat and kitten food
- Dry (kibble) cat and kitten food
- *Any name brand welcome; NO fish flavors*
- Dog food is NOT needed at this time

**Though we are closed for Thanksgiving, we are open normal hours on every other day**, at both shelters, from 11am until 6:30pm. Our Reno shelter is at 2825-B Longley Lane, 89502 and our Carson shelter is at 549 Airport Road, 89701. Food can also be shipped to our Reno location via [Amazon](#) (use AmazonSmile to benefit us too!) or [Chewy.com](#). For adult cat food needs, [click here](#) and for kitten needs, [click here](#).

From all of the cats and kittens who have Nevada Humane Society to give thanks to for saving their lives, thank you to YOU for providing their tummies with a good meal.
