### **Feed the Kitties!**

Every dog has his day; the other 364 belong to cats! That's why Nevada Humane Society is asking for help by feeding them! With cats awaiting their fabulous new homes, cats receiving medical treatment, cats in foster care, even a few kittens, there are felines everywhere that are chowing through our food supply.

Here's the wish list from the cats, in order of their preferences:

- Canned cat food
- Dry (kibble) food for both cats and kittens
- Canned kitten food
- Any brand welcome though medium grade is preferred; NO fish flavors
- Dog food is NOT needed at this time

Over 400 cats (and some kittens) rely on Nevada Humane Society to feed their tummies every single day. If each person could donate a case of canned food, or a bag or two of dry food, this community would make one PAWtastic difference. Then, those 364 days that belong to the cats... would be PURRfect.

If you can help, donations may be delivered daily, between 11am and 6:30pm, in Reno to 2825 Longley Lane or in Carson City to 549 Airport Road. Food can also be shipped via [Amazon](#) (use AmazonSmile to benefit us too!) or [Chewy.com](#). For adult cat food needs, [click here](#) and for kitten needs, [click here](#). Food should be shipped to the Reno location.
