Independent Auditor's Report

To the Board of Directors Nevada Humane Society Reno. Nevada

We have audited the accompanying financial statements of Nevada Humane Society (a Nevada non-profit corporation), which comprise the statement of financial position as of December 31, 2014, and the related statement of activities and change in net assets, functional expense, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nevada Humane Society, as December 31, 2014, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

Nevada Humane Society (Society) was established on February 19, 1932, as a domestic non-profit corporation, organized to prevent cruelty to animals, establish and maintain a veterinary hospital and animal shelter, and provide education of a public sentiment of humanity and gentleness toward domestic and other animal programs and services offered to the community include the following:

Adoption Services - Owner surrendered pets and pets that pass their stray hold period at the county animal shelter are accepted for adoption into new homes. Adoption policies are designed to ensure permanent and successful placement. Homes were found for approximately 8,892 formerly homeless pets in 2014.

Foster Care Program - Over 7,600 volunteer Families provided pets with temporary care in their homes.

Adoption Van - Allows the Society to extend its work beyond the shelter walls.

Clinic - Provides spay or neuter surgeries, vaccinations and care for all dogs and cats passing through the shelter. Low-cost spay/neuter services are provided for public animals on a financial need basis.

Pet Food Assistance Program - Provides pet food on a temporary basis for people who are unable to afford food for their pets.

Veterinary Assistance and Spay/Neuter - Available for cats and dogs in conjunction with the Shakespeare Animal Fund and the cat voucher program. These programs, funded in part by various grants, subsidized \$100,000 in cat spays and neuters, in addition to low-cost surgeries provided through the Clinic and other clinics.

Volunteer Opportunities, Education Programs and Other Services - The animal help desk staff provided free assistance to over 10,932 individuals with animal related issues or problems. The Society hosted dog training and other educational opportunities for volunteers and the general public. Volunteer opportunities include a wide variety of activities within the shelter as well as the "Hiking Buddies" program in which volunteers take dogs on hikes.

Disaster Preparedness - The Society works with Washoe County Regional Animal Services (WCRAS) to meet the needs of animals during disasters.

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation:

The Society's financial statements are in accordance with ASC Topic 958, Financial Statements for Not-for-Profit Organizations. This statement provides standards for financial reporting by not-for-profit organizations and requires the classification of net assets as follows:

Unrestricted Net Assets - Net assets not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Society pursuant to those stipulations.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that are to be maintained permanently by the Organization. As of December 31, 2014 there were no permanently restricted net assets.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Cash and Cash Equivalents:

The Society maintains its cash and equivalents in bank deposit accounts and brokerage money market accounts which, at times, may exceed insured limits. The Society has not experienced any losses in such accounts. The Society believes it is not exposed to any significant credit risk on cash and cash equivalents. Bank deposit accounts and money market accounts were insured by the Federal Deposit Insurance Corporation (FDIC) and the Securities Investor Protection Corporation (SIPC) at December 31, 2014 and 2013.

Grant and Contracts Receivable:

Support under grants and contacts is recorded when the related amounts are due from grantor agencies. Grants and contracts receivable are reported net of allowance for doubtful accounts of \$38,095.

Pledges Receivable:

Pledges are stated at net realizable value, in accordance with financial accounting standards, and recognized as support in the period received. Conditional pledges are recognized when the conditions on which they depend are substantially met.

Investments:

In accordance with provisions of ASC Topic 320, Investments - Debt and Equity Securities generally accepted accounting principles require that nonprofit organizations report certain investments at fair value. Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets, if the restrictions are met either by (passage of time or by use) in the reporting period in which the income and gains are recognized. Information about the fair value of investments and the unrealized gains and losses is discussed in Note 3. The fair value of substantially all securities is determined by quoted marker prices. The estimated fair value of securities without any quoted market prices is based on similar types of securities that are traded in the market.

Property and Equipment:

Property and equipment of the Society exceeding the capitalization threshold of \$500 are capitalized and recorded in the Society's records. Property and equipment are recorded at cost. Donated property is recorded at its estimated fair market value at the date received. Depreciation is calculated using the straight-line method over the assets estimated useful life of five to thirty-nine years. Maintenance and repairs are charged to expenses as incurred. Renewals and betterments that materially extend the lives of the assets are capitalized.

Contributions:

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions received designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net assets classes. When a donor restriction expires, that is, when a stipulated time restriction ends or purposed restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions In-Kind:

Contributions in-kind are recognized in accordance with an applicable accounting standard. Donated equipment and goods are recorded at their estimated fair value as of the date of the donation. Contributed services, which require a specialized skill and which the Society would have paid for if not donated, are recorded at the estimated fair value at the time the services are rendered. The Society also receives donated services that do not require specific expertise but are central to the Society's operations. While these contributed services are not reflected in the financial statements the estimated value of these services is disclosed.

Advertising:

Advertising costs are charged to program and supporting services when incurred. Advertising costs totaled \$123,354 for the year ended December 31, 2014.

Compensated Absences:

Employees of the Society depending on job classification, length of service and other factors are entitled to paid vacations. Accrued employee benefits represent the Society's liability for the cost of unused employee vacation at December 31, 2014.

Functional Expense Allocation:

Expenses that can be identified with a specific program are applied directly according to their natural expense classification. Non-specific program costs are allocated to programs and support services based on the best estimates of management.

Exempt Status:

The Society is a not-for-profit organization, exempt from federal income tax under Internal Revenue Code Section 501(c)(3), and has been classified as an organization that is not a private foundation under Section 509(a)(2) receiving a substantial part of its support from the general public as provided internal Revenue Codes Section 170(b)(1)(A)(VI). Accordingly, no liability for federal and state income taxes has been provided in the financial statements.

Management has determined that The Society does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. The Organization has exempt tax filings open to the Internal Revenue Service for years ending December 31, 2011, 2012, and 2013.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, making it reasonably possible that a change in these estimates could occur in the near term.

Contingencies:

Certain conditions may exist as of the date the financial statements are issued which may result in a loss to the Society but will only be resolved when one or more future events occur or fail to occur. The Society's management and its legal counsel assess such contingent liabilities and such assessment inherently involves an exercise of judgment.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contingencies (continued):

In assessing loss contingencies related to legal proceedings that are pending against the Society or unasserted claims that may result in such proceedings the Society's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein.

If the assessment of a contingency indicates it is probable that a material loss has incurred and the amount of the liability can be estimated the estimated liability would be accrued in the Society's financial statements. If the assessment indicates that a potentially material loss contingencies is not probable but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material would be disclosed as of December 31, 2014 the Society has not recorded any contingencies.

Comparative Totals:

The financial statements include certain prior-year's summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly such information should be read in conjunction with the Society's financial statements for the year ended December 31, 2013 from which the summarized information was derived.

Reclassifications:

Certain prior year amounts have been reclassified to conform to current year presentation.

Date of Management's Review

The Society has evaluated subsequent events through September 10, 2015, the date which the financial statements were available to be issued. Subsequent events after that date have not been evaluated.

NOTE 2 – PLEDGES RECEIVABLE

In 2009, the Society began the annual Pets Alive Partners Event. Pledge receivables generated from this event are \$675 as of December 31, 2014. Pledges of \$460 are considered long-term all of which is due December 31, 2016.

Discounts on pledges receivable are reported net of allowance for doubtful accounts of \$6,075.

NOTE 3 - INVESTMENTS AND FAIR VALUE

The Society reports its fair value measures using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value.

The three levels of the fair value hierarchy under GAAP are:

- Level 1 Quoted prices in active markets that are accessible at the measurement date for identical assets;
- Level 2 Observable inputs based on quoted prices in non-active markets or in active markets for similar assets or liabilities. Inputs other than quoted prices that are observable, or inputs that are not directly observable, but are corroborated by observable market data.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the measurement of assets and liabilities.

NOTE 3 – INVESTMENTS AND FAIR VALUE (CONTINUED)

The following are the major categories of assets measured at fair value (Level 1) on a recurring basis for the year ended December 31, 2014:

Financial emergencies	\$ 1,790,126
Spay/neuter and marketing	91,278
Equipment	 19,500
	\$ 1,900,904

NOTE 7 – ECONOMIC DEPENDENCY

The Society is considered economically dependent on donations from local businesses, private foundations and individuals.

NOTE 8 – PRIVATE GRANTS

The Society was the recipient of a number of grants during the year. Most of these grants are subject to spending restrictions. If it were determined by the grantor that the funds had not been expended for the purpose intended the Society could be liable for a refund of part or all of such grant funds. Management does not anticipate any problems of this nature.

NOTE 9 – DONATED SUPPLIES AND SERVICES

The estimated fair value of donated supplies and services received are recorded as contributions. The Society received approximately \$441,000 of contributions in-kind for the year ending December 31, 2014.

During the year ended December 31, 2014 volunteers donated 40,414 hours of time valued at \$404,140 to the Society. No amounts of these services are reflected in the statement of activities because the criteria for recognition of such volunteer efforts have not been satisfied.

NOTE 12 - LEASES

The Society leases its facilities from Washoe County, Nevada. As part of the lease agreement, the Society has prepaid the lease payments of \$9,825, per month, through January of 2041. The prepaid lease payments for twelve months have been reflected as a prepaid expense; the balance has been reflected in other assets. The lease, originating in January of 2006, is for a period of fifteen years with two renewal options – each for ten years. Annual lease payments for the year ended December 31, 2014 were \$117,905 and will continue at the same annual rate through the year 2021.

The Society entered into an operating lease on October 1, 2014 with Carson City to lease the Carson City Animal Shelter facility for a period of five years ending on September 30, 2019 for consideration of \$1.00. The fair value of rents for the year ended December 31, 2014 was \$25,912.

On December 31, 2014, the Society entered into lease agreements with Pitney Bowes for two mail machines. Quarterly lease payments are \$156 for sixty months. Rental expense for the year ended December 31, 2014, was \$2,868 for the mail machines.

In June of 2015, the Society entered into a non-cancelable operating lease for a copier. The terms of the lease agreement require monthly payments of \$546 for forty-eight months and excess image charges ranging from \$0.008 to \$0.048 per image, billed each quarter. Rental expense for the year ended December 31, 2014 was \$17,925.

At December 31, 2014, future minimum operating lease payments are as follows:

Year ending December 31:

2015	\$ 7,795
2016	7,795
2017	7,795
2018	4,522
2019	1,248
	\$ 29,155

NOTE 13 – ANIMAL SERVICES AND ENFORCEMENT COMMITMENT

The Society entered into a professional animal service and enforcement agreement on October 1, 2014 with Carson City to function as the Animal Services Manager of Animal Services as defined in the Carson City Municipal Code. The Society will also provide enforcement staff to perform the necessary duties to protect the welfare and safety of animals and citizens in carrying out the requirements and needs of Title 7 – Animals of the Carson City Municipal Code. The City has agreed to pay on the first of each month, installments of \$58,333 for animal services rendered. The commitment will end on September 31, 2019, unless terminated upon the City's issuance of a certificate of occupancy for a new shelter, at which time the contract terms will be for ten years, renewable every five years, for a maximum time period of ninety-nine years.

NOTE 14 – RENEWABLE GENERATIONS INCENTIVE PROGRAM

During 2011, the Society entered into various agreements to participate in Renewable Generations incentive program. With the installation of a photovoltaic solar system on site and by assigning the incentive payments to the contractor, the Society benefits from making their own electricity and working to improve the environment without a large capital outlay and annual maintenance costs. Energy savings is estimated to be \$14,000 per year. The Society, at its option, may elect to purchase the solar system in ten years.

NOTE 15 - PURPOSE OF ENDOWMENT FUND

The Society established The Dorothy Benson Humane Endowment Trust in 1987. Earnings from the endowment are distributed monthly and are considered to be available for unrestricted use. The principal, considered temporarily restricted may be distributed only in the event of a financial emergency. A financial emergency will be deemed to occur only if the Society's accountant, the appointed trustees, and a two thirds majority vote from the Board of Trustees determine that the Society will be unable to pay its debts as they become do or to continue the day to day operations.

NOTE 16 – ENDOWMENT FUND

The Society's endowment fund comprises funds designated by the Board of Trustees to function as an endowment. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, are classified and reported as unrestricted, temporarily restricted and permanently restricted net assets based solely on the existence or absence of donor-imposed restrictions.

The Society considers all endowment fund assets temporarily restricted at December 31, 2014. See Note 15 for information regarding the purpose of the Society's endowment fund.

Following is a summary of the changes in the endowment net assets for the year ended December 31, 2014:

	Temporarily

Net appreciation (depreciation)		(60,063)
Amount appropriated for expenditures		(66,523)
Endowment net assets, end of year	\$	1,790,126

NOTE 15 – ENDOWMENT FUND (CONTINUED)

Interpretation of Relevant Law

In the absence of explicit donor stipulations to the contrary, the Society has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date. As a result of this interpretation, the Society classifies as temporarily restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence described in UPMIFA.

The Organization takes into consideration the following factors in its determination to appropriate or accumulate donor-restricted endowment funds in accordance with UPMIFA:

- The duration and preservation of the fund
- The purposes of the Organization, the board designated and donor-restricted endowment funds
- General economic conditions, including the possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- The Organization's investment policies

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires to be retained as perpetual funds. Such deficiencies are not anticipated based upon the nature of the investments and the Organization's intent to hold the investments to maturity. However, if such deficiencies were to occur, they would be reflected as decreases in unrestricted or temporarily restricted net assets for the period.

Return Objectives and Risk Parameters

The Society has adopted investment and spending policies, approved by the Board of Trustees, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets over the long term.

The specific goal of the Society is to provide for the good of the wealth entrusted to it, not only for its own operation, but for its constituent lodges as well. The primary investment objective is to preserve endowment assets by limiting exposure to unnecessary risk. Under this policy, the endowment assets are invested in corporate and government obligations, domestic and international mutual funds, and real asset funds.

Strategies Employed for Achieving Objectives

The endowment fund investment strategy is reviewed and evaluated by the Finance Committee of the Board of Trustees at least annually with its investment advisors to ensure the portfolio's proper diversification, security and return of investment.

Spending Policy

The Society budgets amounts for distribution based upon available earnings and the related fund objectives as detailed above in Note 15.
