

Nevada Humane Society Spay/Neuter Clinic Service Pricing 2021

**To schedule spay and neuter appointments please visit our Website:

<https://nevadahumanesociety.org/veterinary-clinic-services/>

1. Dogs older than 8 years must have pre-op blood work done at a private vet prior to appointment to ensure dog is healthy enough. Owner must bring blood work results to appointment.
2. Hernia repair only if reducible. Cats \$20 Dogs \$30.
3. Surgery fee includes e-collar and pain medications. Nail trims are also included for dogs only.
4. We do not spay/neuter dogs over 100 lbs.
5. If a pet is visibly pregnant, we will not perform the surgery and will send the pet home.
